

Privacy Statement

Streamline IT Solutions Inc is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the Streamline IT Solutions Inc website and governs data collection and usage. By using the Streamline IT Solutions Inc website, you consent to the data practices described in this statement.

Collection of Your Personal Information

Streamline IT Solutions Inc collects personally identifiable information, such as your email address, name, home or work address or telephone number. Streamline IT Solutions Inc also collects anonymous demographic information, which is not unique to you, such as your postal code, age, gender, preferences, interests and favourites.

There is also information about your computer hardware and software that is automatically collected by Streamline IT Solutions Inc. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used by Streamline IT Solutions Inc for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Streamline IT Solutions Inc website.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through Streamline IT Solutions Inc public message boards, this information may be collected and used by others.

Note: Streamline IT Solutions Inc does not read any of your private online communications.

Streamline IT Solutions Inc encourages you to review the privacy statements of websites you choose to link to from Streamline IT Solutions Inc so that you can understand how those websites collect, use and share your information. Streamline IT Solutions Inc is not responsible for the privacy statements or other content on Web sites outside of the Streamline IT Solutions Inc and Streamline IT Solutions Inc family of websites.

Use of Your Personal Information

Streamline IT Solutions Inc collects and uses your personal information to operate the Streamline IT Solutions Inc website and deliver the services you have requested. Streamline IT Solutions Inc also uses your personally identifiable information to inform you of other products or services available from Streamline IT Solutions Inc and its affiliates. Streamline IT Solutions

Inc may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Streamline IT Solutions Inc does not sell, rent or lease its customer lists to third parties. Streamline IT Solutions Inc may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, Streamline IT Solutions Inc may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Streamline IT Solutions Inc, and they are required to maintain the confidentiality of your information.

Streamline IT Solutions Inc does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

Streamline IT Solutions Inc keeps track of the websites and pages our customers visit within Streamline IT Solutions Inc in order to determine what Streamline IT Solutions Inc services are the most popular. This data is used to deliver customized content and advertising within Streamline IT Solutions Inc to customers whose behaviour indicates that they are interested in a particular subject area.

Streamline IT Solutions Inc Web sites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with the legal process served on Streamline IT Solutions Inc or the site; (b) protect and defend the rights or property of Streamline IT Solutions Inc; and, (c) act under exigent circumstances to protect the personal safety of users of Streamline IT Solutions Inc, or the public.

Use of Cookies

The Streamline IT Solutions Inc website uses “cookies” to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the web server that you have returned to a specific page. For example, if you personalize Streamline IT Solutions Inc pages or register with Streamline IT Solutions Inc site or services, a cookie helps Streamline IT Solutions Inc to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Streamline IT Solutions Inc website, the information you previously provided can be retrieved, so you can easily use the Streamline IT Solutions Inc features that you customized.

You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Streamline IT Solutions Inc services or websites you visit.

Security of Your Personal Information

Streamline IT Solutions Inc secures your personal information from unauthorized access, use or disclosure. Streamline IT Solutions Inc secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

Changes to This Statement

Streamline IT Solutions Inc will occasionally update this Statement of Privacy to reflect company and customer feedback. Streamline IT Solutions Inc encourages you to periodically review this Statement to be informed of how Streamline IT Solutions Inc is protecting your information.

Contact Information

Streamline IT Solutions Inc welcomes your comments regarding this Statement of Privacy. If you believe that Streamline IT Solutions Inc has not adhered to this Statement, please contact Streamline IT Solutions Inc at info@streamlinesolutions.ca. We will use commercially reasonable efforts to promptly determine and remedy the problem.
